About Us

Thank you for enquiring about an Advanced Rider course with South Cheshire Advanced Motorcyclists. South Cheshire Advanced Motorcyclists (S.C.A.M.) was established in 1994 in order to promote a higher and safer standard of riding in South Cheshire and surrounding areas. Since its formation the group has grown steadily over the years and today has a membership in excess of one hundred and twenty members.

South Cheshire Advanced Motorcyclists are affiliated to the Institute of Advanced Motorists (I.A.M. RoadSmart) a road safety organization with a recognized qualification.

S.C.A.M. run three training courses a year, these are the “Advanced Rider” one cost course. For a single payment of £149.00 you receive an induction evening, course books, the I.A.M. Advanced test, twelve months Associate membership to the I.A.M, six observed training rides and twelve months S.C.A.M. membership, the only additional cost is a contribution towards your Observers petrol cost, currently £10-00 each session. Compared to other “Advanced” riding courses this represents good value for money.

S.C.A.M; although dedicated to raising rider skills to a higher standard, also promotes an active social calendar, there are social rides on every Sunday of each month, and during the Summer there is an evening ride on the first, second, third and fourth Wednesday of the month. If there is a fifth Wednesday in a month there is no ride out. In addition to these rides there have been long weekends in Scotland and Ireland, and in recent years we have organized trips to France, Germany, Norway, Spain and Portugal.

All our guidance sessions commence at Costa Coffee, Grand Junction Way, Crewe, CW1 2RP.

Please see the S.C.A.M. web site for details and departure locations for Sunday and weekday rideouts.
