SCAM News Sheet, Jan 2025

Our newsletter is changing with the times.

Each month a news sheet will be circulated, loaded with brief but essential club information. This is the first one.

Arriving soon, the new SCAM Chronicles will comprise a raft of exciting, illustrated articles and will be published when sufficient material is available, or quarterly, whichever is the sooner. The first eagerly awaited issue will be released in March. Please free to send contributions at any time to the Editor: david@creedy.net
